10am-4pm School Leaver Options & 7- 9pm Adult Options.

Northside Partnership is delighted to announce that it will be holding its second Education for All fair on Thursday the 21st of January 2010 in the Le Cheile, Donnycarney Community and Youth Centre.

In response to the dramatic changes which have been experienced by the country in the last year this year's fair aims to accommodate for a wider range of people than before by dividing the fair into two sessions. The first session will take place between 10am - 4pm and is primarily being directed at school leavers while the second session will take place between 7-9pm and will be dedicated to providing information on education options for adults as well as highlighting the wide range of community based supports available in the locality from local CIS and MABS agencies to our own Local Employment Service.
