

NORTHSIDE PARTNERSHIP AREA PROFILES - ONLINE NOW

Following the second extension of its catchment area, as a result of the Cohesion Process in 2009, the Northside Partnership now operates in area with a population of about 125,000 people. To facilitate the development of a strategy, we subdivided the Partnership catchment area into 7 districts. Statistical profiles of these 7 areas can be downloaded from our website by clicking on following link: <http://www.northsidepartnership.ie/content/view/189/199/>
