Empowering Communities Team Leader (Full-time)

Northside Partnership wishes to recruit the position of an Empowering Communities Team Leader on a full-time, fixed-term basis.

The Empowering Communities Programme (ECP) is a new programme that will use a community development approach to address social exclusion, build community leadership and work towards the alleviation of impacts of poverty in the Darndale area with a specific focus on the Electoral Division of Priorswood C. This role will provide support to the Empowering Communities Coordinator (ECC). The Team Leader will support the Empowering Communities Coordinator in line with the ECP project requirements. The Team Leader will accompany the ECC on a number of projects and provide updates on an agreed basis and record key statistics in line with project requirements and produce reports as required

Working as part of Northside Partnership's Empowering Communities Team, the Team Leader will build the capacity of a team of 5 Community Employment Health Workers. This will enable the team to take a leadership role in their community and to apply a well-coordinated community peer-led approach in responding to the health and well-being needs of people living in Darndale. The role of the Team Leader is to manage, provide support and mentor the team of CE Community Health Workers. The Team Leader will develop clear work plans to meet the health and well-being needs of people living in Darndale. The team will also be supported by the HSE Health Promotion and Improvement Officer with regard to training and development.

About Northside Partnership

Northside Partnership is a Local Development Company working with individuals and communities in northeast Dublin to bring about positive changes in their own lives and in the life of their community. A registered Charity we work to improve opportunities for people experiencing poverty and disadvantage and offer a range of programmes and services to support individuals, local organisations and communities across the Northside Partnership catchment area.

Our key beneficiaries include long-term unemployed people, early school leavers, those living with addiction issues, disadvantaged families, lone parents and people living with disabilities.

Northside Partnership is committed to implementing an Advantaged Thinking approach which focuses on identifying, developing and investing in the skills, capabilities and assets of the people we work with.

Our work is funded by the Irish Government, charitable organisations and private sources.
